Agreement dated as of _____, 19____, between Campus Media Inc. of
165 West 46th Street, New York, New York (hereinafter known as "CAMPUS") and
_____ (hereinafter known as "the STATION"):

WHEREAS, CAMPUS is engaged in the business of soliciting and placing national
advertising, promotional and program material for use in the broadcast media;

NOW, THEREFORE, in consideration of the mutual promises herein contained, and
other good and valuable considerations to each in hand paid, the parties to the Agreement
agree as follows:

1. The STATION hereby appoints Campus Media Inc., for a term of _____,
effective the date above written, as its exclusive national agent and representative for
advertising, promotional and program material. CAMPUS agrees in good faith to devote its
reasonable efforts to solicit national advertising, promotional and program material for use
on the STATION. In order for CAMPUS to devote its reasonable efforts to securing national
advertising, promotional and program material for the STATION, CAMPUS must receive
from the STATION, and the STATION agrees to furnish, not later than thirty (30) days
from the effective date of this Agreement, a completed copy of the questionnaire supplied
yearly by CAMPUS to STATION. Further, to enable CAMPUS to devote its reasonable
efforts to securing national advertising, promotional and program material for the STATION,
the STATION must complete and return to CAMPUS within ten (10) days of receipt any
subsequent questionnaires or requests for information. Furthermore, CAMPUS must have,
in order to exert its reasonable efforts to soliciting national advertising, promotional and
program material for the STATION, photographs of the STATION's facilities and at least
two (2) recorded air checks of the STATION's broadcast signal per year.

2. Nothing in this Agreement shall prohibit the STATION from accepting advertising,
promotional and program material of a local nature supplied by means of the STATION's
efforts.

3. Nothing in this Agreement shall require the STATION to accept advertising,
promotional and program material supplied to it by CAMPUS if such advertising is in conflict
with the policy and operating procedures of the STATION, providing such policy and operating
procedures shall have been first disclosed in writing by the STATION to CAMPUS.

4. National advertising, as used in this Agreement, shall mean advertising purchased by an advertiser whose product or service is defined as having national distribution in the latest dated Classified Edition of the "Standard Directory of Advertisers", a publication of National Register Publishing Company, Inc.

5. CAMPUS will purchase such air time from the STATION as CAMPUS may sell to a national advertiser for advertising of its product(s), commodity(s), or service(s). Said air time will be purchased in accordance with the STATION's rates as listed on the STATION's latest published rate card filed with CAMPUS less the advertising agency commission (which shall be no less than fifteen (15) per cent and no more than seventeen and one-half (17 1/2) per cent of the gross sale to the advertiser) and advertiser's cash discounts when applicable; however, should the STATION announce publicly new rates, such rates shall not affect advertising placed through CAMPUS for a period of six months from the effective date of such new rates, if such advertising was contracted for prior to such rate change. In providing a rate card, STATION warrants that said rates are as low as any now being given to any national advertiser for comparable air time, whether such time was placed direct or through an advertising agency or through any source, and irrespective of the location of the advertiser, agency, or other source.

6. Compensation accruing to CAMPUS for placement of spots shall be the difference between CAMPUS's selling price to the national advertiser, his agency or representative of the air time of the STATION and the cost of that air time to CAMPUS for the placement of advertising spots. STATION hereby authorizes CAMPUS to take action in the name of the STATION to collect delinquent accounts or to enforce advertising contracts which CAMPUS may deem for the best interests of itself and the STATION.

7. The STATION will provide to CAMPUS, not later than the tenth day of the calendar month after the conclusion of broadcasting of national advertising during the preceding month, duly completed and notarized affidavits certifying proof of performance of said advertising. Should the affidavits not be postmarked by that tenth day (the due date), CAMPUS shall subtract, at its discretion, the following amounts from the net amount due the STATION for the respective advertising: five (5) per cent for the first week the affidavit is late and five(5) per cent of the remaining amount each succeeding week until a maximum of twenty-five (25) per cent of the net amount due the STATION shall have been reached. Should the affidavit(s) not be received by CAMPUS within sixty (60)

days of the due date, CAMPUS may, at its discretion, close the account on its books and so have no further liability to the STATION for payment for that account.

8. The STATION shall provide to CAMPUS suitable statements of account for advertising placed in order to receive payment for said advertising. These statements of account shall in no way be acceptable as broadcast affidavits certifying proof of performance of advertising.

9. Payment of monies due the STATION for advertising completed shall be made by CAMPUS within twenty (20) days after the receipt of payment to CAMPUS by the advertiser, his agency or representative provided, however, that a duly completed and notarized affidavit certifying proof of performance and a suitable statement of account shall have been received from the STATION.

10. Failure of either party to this Agreement to fulfill any material obligations hereunder shall entitle the other party to terminate the Agreement by giving not less than sixty (60) days written notice by registered mail, return receipt requested.

11. This Agreement, and the conditions, promises, and statements set forth herein, shall constitute the full Agreement between the parties hereto, unless, however, it should be amended by mutual written agreement of both parties hereto.

12. The STATION will, if requested, prepare rate cards and include thereon the name and office address(es) of CAMPUS as its national advertising representative.

13. CAMPUS will exercise reasonable care in accepting advertising prior to making contracts for advertising time for the STATION.

14. This Agreement shall be binding upon, and inure to, the benefit of the parties hereto, their successors and assigns.

15. This Agreement shall be interpreted and enforced in accordance with the applicable laws of the State of New York and this Agreement is made and entered into in the State of New York.

IN WITNESS WHEREOF, the parties have executed this Agreement the day and year
first above written.
